

SECTION-D

Note: Long answer type questions. Attempt any two questions out of three questions. (2x8=16)

Q.23 What is Printing? What are different methods of printing?

Q.24 a) What is difference between method and style of printing?

b) What are the different Special Style of Printing. (5+3=8)

Q.25 Draw a labelled diagram of roller printing and give function of different parts of roller printing machine

No. of Printed Pages : 4

222551

Roll No.

5th Sem / Textile Design

Subject : Printing Technology

Time : 3 Hrs.

M.M. : 60

SECTION-A

Note: Multiple choice questions. All questions are compulsory (6x1=6)

Q.1 Squeegee is used in _____ printing.

- a) Screen
- b) Batik
- c) Roller
- d) Stencil

Q.2 Batik is a kind of

- a) Resist style
- b) Direct style
- c) Discharge style
- d) None of these

Q.3 Cotton can be printed by

- a) Reactive dye
- b) Vat dye
- c) Azoic color
- d) All of these

Q.4 Ageing, steaming and _____ are fixation processes?

- a) Scouring b) desizing
- c) curing d) none of them

Q.5 Color is removed in discharge printing.

- a) true b) false
- c) none of them d) both a & b

Q.6 The auxiliary added to printing paste

- a) Dye b) Thickeners
- c) Hygroscopic agent d) all of these

SECTION-B

Note: Objective/ Completion type questions. All questions are compulsory. (6x1=6)

Q.7 Batik is kind of _____ printing (Resist/ direct style)

Q.8 For color discharge the ground color should be _____ (Strong/ easily dischargeable)

Q.9 What is the role of hygroscopic agent in printing?

Q.10 Roller block and stencil are _____ of printing (Methods/ styles)

Q.11 Define Curing

Q.12 Define De-Foaming agent

SECTION-C

Note: Short answer type questions. Attempt any eight questions out of ten questions. (8x4=32)

Q.13 Explain working of flat bed printing machine.

Q.14 Explain the working of rotary screen printing machine

Q.15 What are advantages and disadvantages of Roller printing?

Q.16 Write down the objectives of different after treatments after printing process

Q.17 What are the advantages and disadvantages of transfer Printing?

Q.18 What is Stencil printing? What are advantages and disadvantages of Stencil Printing?

Q.19 What is difference between discharge and resist style of printing

Q.20 Write down the name of printing paste ingredients?

Q.21 What is block printing? What are advantages and disadvantages of block printing?

Q.22 What is Historical background printing?
